PROFESSIONAL SUMMARY

I am a passionate and motivated Computer Science and Engineering graduate with a strong interest in Software Development, Full Stack Web Development, Artificial Intelligence, and Machine Learning. I enjoy building practical, user-friendly applications and continuously improving my technical skills. I have completed a 6-month internship in Full Stack Development and a 3-month internship in Artificial Intelligence and Machine Learning, which gave me practical exposure to web technologies, AI/ML concepts, and the software development process.

EDUCATION

Sri Krishnadevaraya University, Anantapur

Computer Science & Engineering (CSE)

Government Polytechnic, Obulavaripalli

Diploma in Computer Engineering

SKILLS

Languages: Python, Java, JavaScript, TypeScript, Kotlin, HTML/CSS

Web & Mobile: React, Next.js, REST APIs, Android development, Flutter

Databases: MySQL, MongoDB

Focus areas: Full stack development, AI/ML, UI/UX design

PROJECTS

Student Database System

- Built a database application for managing student records, personal information and academic data.

Portfolio Website

- Designed and developed a responsive personal portfolio with HTML, CSS and JavaScript, including a typing effect, animated navigation and mobile-friendly layouts.

UI/UX Concepts

- Created interface concepts focused on clean, modern and user-friendly experiences.

INTERSHIPS & CERTIFICATIONS

Full Stack Development Internship (6 months)

2024

- Gained practical exposure to full stack web technologies and the software development process.

Artificial Intelligence & Machine Learning Internship (3 months)

2026

- Worked with AI/ML concepts including data analysis, model training and evaluation.

ACHIEVEMENTS

- Second prize (runner-up), technical quiz at Best Innovative University, Gorantla, 2026.
